Welcome to ORNGT

The periOperative Registered Nurses of Greater Toronto was founded in 1960.

Our objectives are:

- to unite perioperative nurses for the purpose of promoting and maintaining optimum nursing care of the patient throughout the perioperative phase
- to provide continuing education for the membership consistent with:
 - i. College of Nurses of Ontario (CNO) licensure
 - ii. Canadian Nurses Association CPN(C) certification requirements
- to promote the exchange of ideas and knowledge among perioperative nurses
- to provide representation for association membership at the provincial level, periOperative Registered Nurses Association of Ontario (ORNAO)

Perioperative Registered Nurses at
